

iSeeEdge™

The iSEE Edge™ fits into rail and allows existing price tags to show through, while the printed area **promotes cold, brand, and price message.**

Features & Benefits

- Creative and simple way to promote cold, brand, and price message
- Communicates continuity of pricing on the shelf
- Facilitates communication of special price offers (ex. "2 for \$X^{XX}")
- Improves retailer / category image
- Allows for inventory scanning of existing shelf tags
- Helps maintain integrity of shelf set
- Easy to install; Fits almost any shelf edge
