

iSEE POPFiNS™ lets you **show off your product** without blocking the customer's view of the shelf.

Features & Benefits

- Announces your product as the customer walks down the aisle
- Unique design that gets noticed without blocking product on shelf
- Multiple angles creates two signs in one
- Creates brand image seen across the store
- Increases brand presence while staying within clean store guidelines
- Attaches to glass doors with suction cups; Can be mounted inside or outside
- Dimensional display made of food-safe plastic, so it's nearly indestructible
- Easy assembly

The Ultimate Shopper Stopper.
