

One Bin, Infinite Possibilities.

The most versatile and secure suction cup bin on the market.

Why to buy? Divide and conquer.

The ultimate all-purpose bin, featuring moveable dividers and designed to securely hold nearly anything on cooler doors. Interior space can be divided to meet an individual brand or retailer's needs, using optional dividers that effortlessly slide into slots placed every half inch of the display.

Key Features

Divide-Ability: Optional dividers every half inch allow for optimization and organization of virtually any product type or size (dividers sold separately).

Shop-Ability: Smooth, curved display edges make for an easy and premium shopping experience. Effectively elevates and showcases brands and products.

Safe to Swing: The iSEE DisplayLoc suction cups, quickly becoming the industry standard for reliability, are each rated to hold 50lbs of weight. They won't slip, slide or fall.*

Brand-Ability: Sign holders allow for easy-to-change product communication. A billboard so your brand doesn't get lost in the clutter!

**When installed correctly under normal and consistent interior retail conditions*

Display Options

One Display, Infinite Options.

- Reliably holds 10lbs of product
- Divider slots placed in half inch increments allows for sub-dividing space as needed for individual packages widths or as a dump bin for small, loose packages (dividers sold separately)
- 4 inch depth allows for placement outside OR inside most cooler doors
- Display can be used within freezer spaces when ordered with iSEE's patented freezer DisplayLoc suction cups
